Erasmus+

# Waste separation

In Holland, separation of biological waste from early on:

# Waste separation

Shortly followed by used paper:

# Waste separation

Laws and regulations for companies:

All companies must separate all waste unless this cannot be reasonably expected

Erasmus+

Green  
Salon

# Waste separation

Hazardous materials

All chemicals

Must be kept separately, if not all waste will be considered as chemical waste, cost and penalty added.

# Waste separation

# Waste separation

Every city has different rules

Amsterdam

50KG per day

Erasmus+

# Waste separation

Interviews with salons:

Yes I do: 20%

No I don't: 80%

# Waste separation

Interviews with students:

Yes my salon does: 5%

No my salon doesn't: 95%
